

It is a privilege to work with MDA to help save lives in the Holy Land.

Christians around the world can play a powerful role and show their compassion.

What better work can you find than to save lives in the Land, by helping us support Magen David Adom, Israel's national emergency medical services organization.

"Comfort, comfort my people, says your God" Isaiah 40:1

Magen David Adom

Israel's national rescue organization, faithfully serves all of the country's population, providing first-aid and emergency medicine, medical training and life-saving blood.

We operate as an integral part of the Israeli scene in helping the needy and the sick, caring for the wounded and injured, every day of the year. Our team rescues victims of accidents, terror and wars, and all peoples throughout Israel.

Today, MDA is the world-leading organization in Emergency Medical Services.

Celebration of Life

Christian Friends, Bless Israel Today

"Whoever saves a single soul... it is as though he has saved the entire world." Talmud

There's a new dawn in Christian and Jewish brotherhood

"I will also make you a light for the Gentiles, that my salvation may reach to the ends of the earth."

Isaiah 49:6

"... and I will show you my faith by my deeds." James 2:18

Christians stand with Israel

"God is doing great things for His people. Israel will not be alone, and as Christians, we stand with God to affirm that. We will not tolerate a world without Israel, because we need to support the root, as the root supports us. There is no more direct way to show

this support for Israel than the ministry of Magen David Adom, preserving Israel physically so she can continue to thrive spiritually."

- Anne Ayalon, President CFMDA
